

PETITION FOR CONCRETE SIDEWALK REIMBURSEMENT/INSTALLATION

CITY OF STREATOR, ILLINOIS

Permit Number: _____

Contractor: _____

Date: _____

Length of Improvement: _____ ft.

I/We, the undersigned property owner(s), have read and understand the procedures and requirements of the city's concrete sidewalk reimbursement program, and request reimbursement for seventy-five percent (75%) of the concrete materials cost to install a five foot wide. I/We request permission to modify city property through the installation of concrete sidewalks adjoining the following described property:

Legal Description: _____

Street Address(es): _____

Name(s) of Petitioner(s): _____

Describe the work to be performed, including other Right-of-Way improvements (driveways, curbs, inlets, sewers, curb cuts and openings, other sidewalks, etc.):

(Use back of page for site plan or attach drawings)

I/We agree to indemnify and hold harmless the City of Streator and its officers, employees and assigns from and against any and all claims, suits, damages, and losses resulting from or arising out of the performance of the work herein described. The signatories to this petition understand that the City of Streator does not guarantee the above sidewalk work against cracking, scaling, pitting or deterioration in any way.
